Course Title

Decks, Porches and Accessory Buildings

Course Description

This seminar will cover building code requirements for the construction of residential decks, porches and accessory buildings. Topics included in this seminar will address design considerations, construction documents, plan review considerations and field inspection issues.

To supplement code language, numerous photos of actual site situations will be used to generate interactive discussions of correct application of the building code provisions. This 7-hr. seminar also provides for the 1-hr of Energy Code as required by the State of Minnesota.

Instructor Andy Schreder, C.B.O.

Owner, Rum River Construction Consultants. Andy is an accomplished building inspector and business owner with a wide range of experiences in the construction industry. Andy has over twenty years of construction and inspection experience and holds multiple certifications from the State of Minnesota and the International Code Council. As a veteran instructor of code related seminars, Andy provides both practical and professional experience to this series of educational seminars for contractors.

Course Schedule

- 7:30 am Registration, Coffee & Donuts
- 8:00 am Decks
- 9:30 am Break

Oak Ridge

Hotel & Conference Center

★★ The contractor training provided at Oak Ridge will be in conjunction with ICC Upper Great Lakes Region III Educational Institute for Building Inspectors/Officials. Along with the training there will also be a trade show at this site with vendors showing their construction products. This site will be a good opportunity to interact with other builders as well as building inspectors and building officials from the areas in which you work.

A partial list of the vendors attending:

- Strong Tie
- USP Connectors
- Diamond Pier Foundations
- Weyerhaeuser
- Captive Air
- Plus many more!!

Who are 10,000 Lakes Chapter of ICC and AMBO?

10,000 Lakes is a local chapter of the International Code Council. AMBO is a statewide chapter of ICC representing building officials throughout the state. 10K and AMBO are non-profit organizations that are comprised of over 500 members that most likely include your local building inspector. Together, these chapters have strived to provide quality continuing education for building officials, contractors and anyone within the construction industry.
