

10,000 LAKES CHAPTER OF ICC

In conjunction with

ASSOCIATION OF MINNESOTA BUILDING OFFICIALS

Nov/Dec 2011 SEMINAR

2009 IBC Performing Commercial Building Inspections

Great instructor covering great topics, which are of interest to Architects, engineers, building officials, building inspectors, plans examiners, fire marshals, fire inspectors, and building designers.

What Will Be Covered

Description: Explains tasks a commercial building inspector performs to verify that a commercial building complies with the 2009 IBC. This seminar includes topics pertaining to techniques and procedures. This course provides fundamental technical knowledge necessary for comprehensive inspection practice.

Instructor – Terrell Stripling is an instructor with 20 years of fire service experience and has also worked in the construction industry. He holds a B.S. degree from Oklahoma State University in Fire Protection and Safety Engineering Technology. His experience in fire prevention, code management, and the ability to effectively communicate a pro-active philosophy, is reflected in Terrell's passion for education.
